BROWN JORDAN
FIRES

ELEVATE YOUR PROPERTY AND CREATE A POINT OF DIFFERENCE.

Our Commercial & Hospitality Program will assist in adding the ambiance and warmth of a fire feature easily and in a way that makes the most sense for your business. Our program will help differentiate you from the competition, elevate the experience of your guests and show you how to earn a beneficial return on your investment. Brown Jordan Fires are helping properties around the world dial in to the fire trend with simplicity, profit and style.

DESIGNED TO FIT YOUR BUSINESS

Quality is in the details, which is why we've tailored our Commercial & Hospitality Program to address the details that are important to you: preferred pricing, rapid lead times, and economical operating costs. These benefits and more are how we make it easy to save money and increase profits.

Save You Money
Whether you are seeking a firepit for a master spec, or need a single property solution, you will enjoy exclusive pricing that is customized to your business.

- Property-direct pricing
- No minimum order size
- Approved vendor pricing
- Discounted flat rate nationwide shipping
- Commercial e-NRG fuel program pricing

Make You Money
Brown Jordan Fires Commercial & Hospitality Program is designed to offer an immediate return on your investment and added value to your property.

- Attract guests with marketable amenity feature to drive revenue
- Increase F&B sales
- Immediate return on investment
- Elevate your guest experience for repeat business

Make It Easy
Our unparalleled support and versatile product range, makes adding fire more simple and convenient than ever before.

- FF&E item, not a GC item
- Eliminate costs associated with sourcing, bidding, or constructing a fire feature
- In stock now - Quick ship 5 day lead time
- Single point of contact from start to finish
